OFFICE OF THE CHIEF ENGINEER, P.W.D.(GENERAL), CHEPAUK, MADRAS-5.

ENDT.NO.22316 AD4/55-1 dated 25-5-55.

Read:-From the Superintending Engineer, West Coast Circle letter No.612 W dated 17-5-55.

Sub:-Establishment - Temporary West Coast Circle, South Kanara Division - Installation of Ice making and quick freezing plant for Fisheries Department - special staff continuance beyond 31-5-55.

Submitted to Government.

2. The sanction accorded in G.C.Ms.No.1314 dated 6-4-55 for the continuance of the post of supervisor for attending to the work referred to above will expire on 31-5-55. The Superintending Engineer, West Coast Circle has requested for the further continuance of the post of supervisor till 31-7-55 for completing the balance of items of works and closing the accounts. In the circumstances, I support the Superintending Engineer's demand and request that sanction of Government may be accorded for the continuance of the post of supervisor till 31-7-55.

3. Specific sanction may also be accorded to the drawal of the compensatory allowances as admissible under the rules, by the incumbent of the post.

4. In view of the short time ahead for the expiry of the existing sanction, I am permitting the Superintending Engineer to continue the post beyond 31-5-55 in anticipation of sanction of Government. My action may kindly be ratified by Government.

—do— 1/ The sanction accorded in G.C.No.quoted above, for the continuance of one supervisor for installation of Ice-making and quick freezing plant at Mangalore, expires on 31-5-55. The building work at Kozhikode has been completed and at Mangalore, some more items of works are yet to be completed.

Paper II, below 2 on p4 m/c 2/ I enclose a copy of Executive Engineer's letter No.729 SE dated 2-5-55. It is stated that the accounts of the works cannot be closed before the materials at site accounts are finalised and posting of work Register completed and that a section officer is quite necessary for completing the balance of items of works and closing the accounts.

3/ Under the circumstances, I request that sanction of Government may please be obtained for the continuance of the supervisor for a further period of two months from 1-6-55 to 31-7-55. I request that permission may also please be accordence for the continuance of the supervisor beyond 31-5-55.

4/ The delay in applying for the continuance of the temporary post is brought to Executive Engineer's notice and he is being instructed to avoid such delays.

Encls: 1 copyof E.E.'s letter with copy of S.D.O's report.

Paper III, p4 m/c I submit herewith a copy of the report of the Sub Divisional Officer, Hospital works. The above report explains the necessity for retention of the post for at least two months beyond 31-5-55. Though the buildings have been constructed, the accounts of the works have not been finalised yet. Materials at site accounts are due from 1954 beginning and the works registers have not been posted for want of Materials at Site. Accounts as there are numerous transactions of Materials at Site accounts for erection work and without taking into the issues the works accounts cannot be finalised and sub heads posting completed. Hence sanction for the

Ref:-Dl.Nos.600-F dated 20-4-55 and 639 SE dt.13-4-55.

Pp/124/55/(F) In No.9424-A,D/54-1 dated 15-3-55 the Chief Engineer has recommended to the Government for the continuance of the post of the supervisor till 31-5-55 for attending to the work connected with the installation of ice-making and quick-freezing plants at Mangalore and Kozhikode.

In this connection, I submit that though the work at Kozhikode has been completed, the accounts such as 7-F accounts completion reports etc. have yet to be attended to for all the works such as main building work sub-works,cork insulation work, erection work, etc.

The erection work at Mangalore is completed except lagging of pipes lines etc. Items of work yet to be completed are given below.

1)Completion lagging of ammonia pipe line which is expected to be completed by 15-5-55.

2)Applying of final cost of white wash,colour wash, painting, distempering the ceiling and walls of insultated rooms. This canbe taken up only after the lagging work is over and will be completed only by the 3rd of May 1955.

3)The accounts of the works have to be closed by transferring the surplus materials etc. and completion reports for all the works including building and cork insulation works to be prepared and submitted.

There are lot of 7-Faccounts to be prepared in the section for works from ice-factory buildings, cork insulation, erection works including sub-works at Mangalore and Kozhikode. This is being attended to by the Section Officer now. The completion reports are to be preprred for nearly 24 works, including sub-works . These can be done only after the disposal of materials outstanding in the work and for which more time will be taken and sanction beyond 31-5-55 is absolutely necessary. The works now in progress are also to be completed to take up the items of works enumerated above. To complete all the works,mentioned above, continuance of the supervisor short for 2 months beyond 31-5-55 is quite necessary and may be got sanctioned early.
